Mr. Baker:

This letter is in regards to the C.O. for the reclamation of disturbed property in Bluffdale, UT. I am requesting an extension date of (end of the work day) Saturday, June 17 2006. At this time the rock wind rows will be removed and all seeding of winter wheat at recommended lbs/acre will be completed.

Thank you for your help in this matter. Please contact me at your earliest convenience.

Sincerely,

Tracy Burnham  
President
